

How to get Nitech from Hotel Mielparque.

Nitech is a train station away from Mielparque by using the JR Chuo-line. You start from Mielparque and go to **Chikusa** station. Buy a train ticket of 140 yens, and take a train bound for Nagoya station, and get off at **Tsurumai** station (the next station to Chikusa). Nitech is located about 1 km to the east of Tsurumai station.

Below is the detailed explanation of the way.

1. From Hotel Mielparque to Chikusa station:

Just across the street from the main entrance of Mielparque, you can see the stairs to underground. This is the Entrance No. 1 of subway Chikusa station.

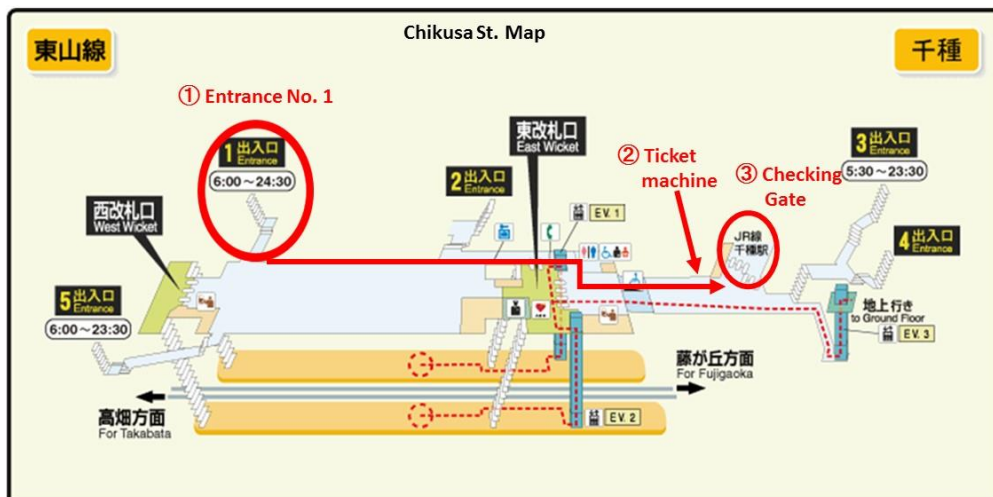

Go down the stairs (①), and you see the concourse of subway Chikusa station.

Turn to the left and keep going about 150 m on the same level (do not go to the subway line), and you can find a ticket vending machine of JR Chuo-line (②).

Buy a ticket of 140 yens. Go through the checking gate (③) and go up the stairs, and you will be on the platform of Chikusa station.

2. Take a train bound for Nagoya station (platform No. 1) and get off at the next station (Tsurumai station).
3. After going out of Tsurumai station, walk to the east for about 5 min., and you can find the main gate of Nitech.

Below is a map around Tsurumai station and Nitech. Tsuruma Park, which is full of trees, will help you to find the place.
