

How to get Chubu International Airport from Mitsui Garden Hotel.

1. You start from Mitsui Garden Hotel and walk to MEITETSU Nagoya station (red circle below).

2. Buy a ticket of 870 yens and also a “mu-ticket” (ticket for the express) of 360 yens. Take the “mu-sky” (the express bounded for airport) and get off at the airport station. It takes about 30 minutes to airport by mu-sky, but takes much longer time by local train. So we highly recommend to use mu-sky.

Below is the time table of mu-sky on holiday in MEITETSU Nagoya station.
