

How to get Hotel Mielparque from Chubu International Airport or Nagoya St.

First, please visit the URL

http://www.centrair.jp/en/to_and_from/access/train.html

Based on this map, I describe the way (by train).

For those from Nagoya St., take Chuo line (Track No.7 or 8 (depends) bound for Nakatsugawa (to North East)), and skip to No.3.

1. You start from CenterAir by Meitetsu line, and get off the train at **Kanayama St.**
(CenterAir -> Jingumae -> **Kanayama** (-->Nagoya))

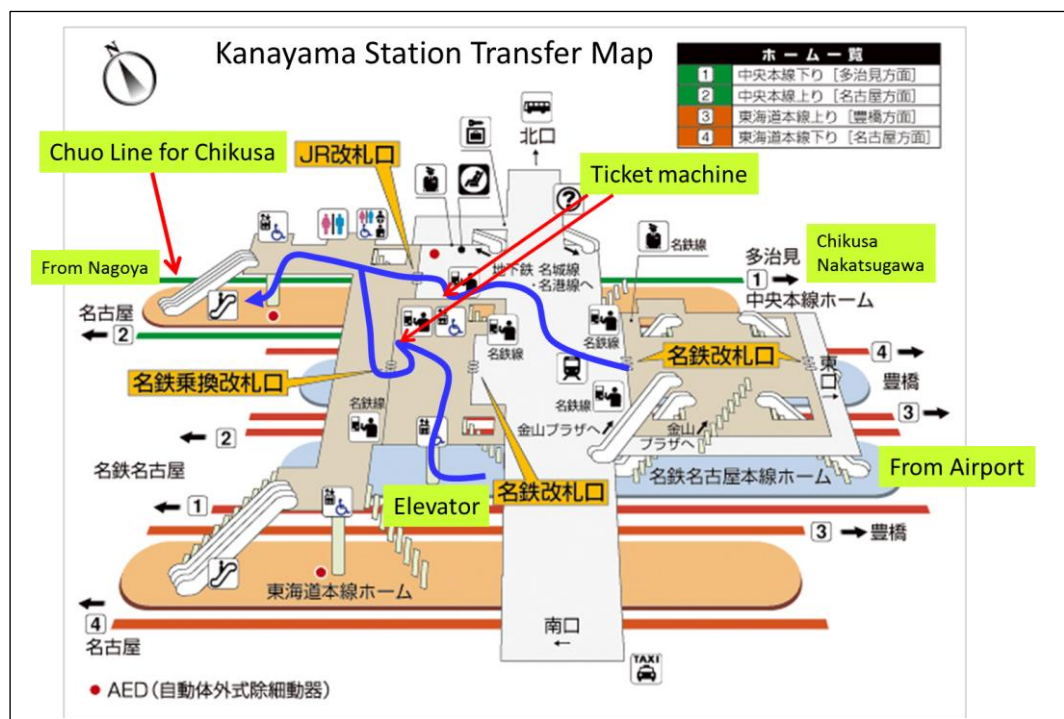

mu-sky is the express and you need an extra charge 350 yens + tax,
Local train is slow and takes a long time, I do not recommend.

2. Switch to the JR Chuo-line (different company) bound for Nakatsugawa (to North East).

Take track No.1. You need to buy a ticket of 190 yens.

JR Chuo line

Nagoya -> **Kanayama** -> Tsurumai -> **Chikusa** (---> Kozoji or Nakatsugawa)
(all trains stop at Chikusa)

3. Get off the train at **Chikusa**

4. Go down the stairs to the underground, and go through the checking gate (①), turn to the right and keep going about 150 m on the same level (do not go to the subway line) .

5. Go up the stairs of Entrance No.1 (②), and you will find Mierparque Nagoya across the street.
